

**REPORT #2 OF THE EXPENDITURES COMMITTEE
TO GENERAL SYNOD 2025**

The Expenditures Committee has had referred to it several “C” motions for review because each of them could result in a new expenditure. Rule of Order 13(d) requires that such a motion be reviewed to determine if the funds proposed to be spent is available or, if not, what steps should be taken to provide the funds should the motion be adopted.

The following are the committee’s findings with regard to these motions.

Resolution Number C005

Subject: Artificial Intelligence Use in the Church

There is no quantified request for funds in this motion. We believe there would be budgetary implications but are unable to quantify that amount. Therefore, the Expenditures Committee cannot assess its budgetary implications.

Resolution Number C007

Subject: On the 1700th Anniversary of the Council of Nicaea

There is no quantified request for funds in this motion. We believe there would be budgetary implications but are unable to quantify that amount. Therefore, the Expenditures Committee cannot assess its budgetary implications.

Resolution Number C014.2:

Subject: Establishing a National Youth Council

There is no quantified request for funds in this motion. We encourage the Youth members of CoGS to submit a proposed budget to Financial Management Committee for their consideration.

Respectfully submitted
